

Thousands of school payments... one convenient online store

Quickly reconcile and manage the thousands of payments received during a typical school year. Accept credit/debit card and check payments online for anything.

Ease Administrative Responsibility

Accepting payments online reduces the number of cash payments that need to be collected, saving time and resources.

Quick Reconciliation

Choose from a number of audit friendly reports to quickly and easily reconcile all credit/debit card and electronic check payments received online.

Export to Financial Systems

Save reports to your computer as an Excel spreadsheet for easy import into your district's financial system.

Simplified Bank Deposits

Route payments to specific bank accounts for each item in your online store, ensuring funds go where they need to.

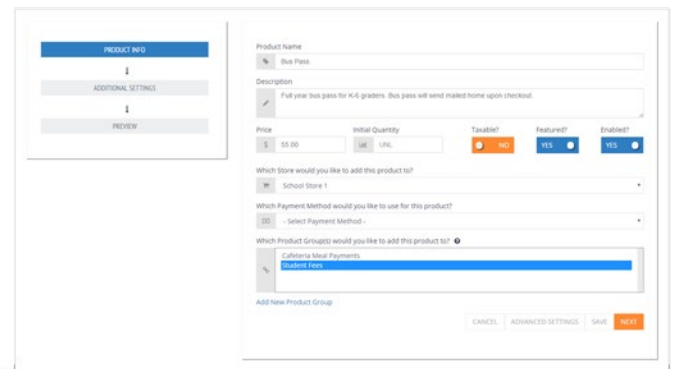

Full E-Commerce Experience

MySchoolBucks provides the same great experience parents have come to expect from online retailers. Items are clearly displayed in easy to read tiles and can be added to a cart for fast checkout.

Quick Item Setup

Use the built-in product wizard to quickly add new items to your online store. Include a photo and description, create fillable forms, customize payment options (full or partial), and more!
